Inclusive Playground Underway

Work on our Inclusive Playground started over Winter Break! Concrete was poured to create a hard surface path connecting the blacktop to the field. This level surface provides access for all children to get to the field. In the next phase, we will be adding three pieces of playground equipment that are accessible to all students- a Rock-n-Ship, an Inclusive Spinner, and swing set with harnesses. The Lopez PTA is continuing to fundraise to support the completion of this project and to purchase the Web Crawler as a memorial for Vale Wolkow. Please support the upcoming Boosterthon Fun Run. Money raised during the Fun Run will go to complete these two projects.

First Semester Report Cards- January 10

Your child's first semester report card will come home in his or her Friday Folder on January 10. Students do not have school on January 6, so that teachers may prepare grades and plan for semester 2.

2020-2021 Kindergarten Registration – Thursday, January 16, 7:30 a.m.-4:30 p.m.

Registration Day for Kindergarten 2020-2021 is on Thursday, January 16, from 7:30 a.m. – 4:30 p.m. In addition to completing the on-line registration, parents will need their kindergartner's **birth certificate and immunizations** (even if they are incomplete), and the forms provided in the registration packet. *We look forward to seeing you!*

School Choice Deadline- Jan. 17

The first consideration period for school choice is Jan. 17. If you have a child that will be new to Lopez and you do not live in our attendance area, you will need to complete the school choice application at <https://www.psdschools.org/schools/school-options-choice>. If your child is currently attending Lopez, you do not need to complete the choice application.

Missing Library Books!

Over holiday break, please have your children check for library books. We have \$1,600 worth of books overdue or missing.

- Over 230 books are now OVERDUE, some of them by months.
- 19 graphic books are MISSING, not checked-out by anyone but removed from the shelves.

Thank you for your help in getting these books back on the shelves for all Lopez students to read.

Leader in Me Family Learning survey

We need your feedback! Please take a few minutes to complete this survey about how you'd like to engage with the Leader in Me: <https://tinyurl.com/Lopezfamsurvey>.

Parent Perception Survey- Teacher Feedback January 13-February 14

Part of Poudre School District's teacher evaluation process includes getting input from parents/guardians of elementary students about their children's teachers. Results from these surveys can be a powerful tool to improve teacher practice. Parents/guardians will be able to complete an online survey on any device. You'll receive directions about how to access the survey by email or mail. We hope you participate!

Webber Middle School Open House for 5th graders- January 14

Lopez 5th graders are invited to visit Webber Middle School on January 14, from 6:00 -7:30 p.m. There will be a presentation at 6:00 p.m. in the gym followed by a building tour. This evening is provided to help your child have a smooth transition to Webber.

Boosterthon - January 22-31, 2020

Boosterthon is set for January 22-31. The Fun-Run will be on January 31:

Our goal is \$15,000 to create a more inclusive playground. EVERY PLEDGE COUNTS! We will use the money raised to help pay for the Double Web Crawler that will be installed in honor of Vale Wolkow. Lopez students chose the web crawler by vote last week. We need \$8,000 to finish paying for it and any money above the \$8,000 will also be used to help pay for improvements to the playground to make it more inclusive to ALL students. Questions about Boosterthon should be directed to our PTA President, Jennifer Thurman, at jenniferthurman@me.com.

A potluck is planned for after the Fun Run. Additional details will be sent soon!

“SchoolMessenger” Voice Message Retrieval Line Info

New this year, all automated PSD and school phone calls will come from one main number: 970-490-3050. In the past, the number displayed as 1-866-316-3462. PSD made this change with our families and staff in mind. Some shared feedback that they didn't always answer the 866 number thinking it was spam. Parents, guardians and staff members who may have previously saved the 866 number in their phone as a contact will need to re-save the new number. If you miss a phone call or voice message from the district, you may call the number above and listen to the last 10 voice messages sent to your phone (most recent will play first).

Attendance Update from Mrs. Day, Assistant Principal

I hope you and your family are settled in after the holidays. This is the time of year when winter takes a toll on school attendance. Snow and slushy weather can keep parents from getting their children to school. So can the colds, fevers and earaches that often come with the winter months.

These absences, even if they are excused, can add up to academic trouble. If it is a snowy day but school is still open, students miss out on learning if they aren't in class. These absences can result in lower test scores and grades.

There's not much we can do about the weather, but there are two key steps every family can take to help avoid absences this year.

1. Develop back up plans for getting your children to school in winter weather. That could mean checking with other families who have a car that can manage in the snow or forming a “walking school bus” to walk your children to school with other parents. If you're stuck, call the school. We can connect you with other parents or staff members who can help.

2. **Keep your children healthy.** Dress them warmly for the cold weather and make sure they've got hats and gloves. Encourage them to wash their hands regularly. If your children do get sick, use the information below to decide whether or not to keep them home.

WHEN IS SICK TOO SICK FOR SCHOOL?

Send me to school if...

I have a runny nose or just a little cough, but no other symptoms.

I haven't taken any fever reducing medicine for 24 hours, and I haven't had a fever during that time.

I haven't thrown up or had any diarrhea for 24 hours.

Keep me at home if...

I have a temperature higher than 100 degrees even after taking medicine.

I'm throwing up or have diarrhea.

My eyes are pink and crusty.

Call the doctor if...

I have a temperature higher than 100 degrees for more than two days.

I've been throwing up or have diarrhea for more than two days.

I've had the sniffles for more than a week, and they aren't getting better.

I still have asthma symptoms after using my asthma medicine (and call 911 if I'm having trouble breathing after using an inhaler).

Morning Fresh Dairy Milk Bottle Caps4Cash

There is a large black and white cow print milk jug by the volunteer kiosk near the office for collecting Morning Fresh Dairy milk bottle caps. We earn 5 cents per cap. Please send us your bottle caps and don't forget to ask your friends and neighbors to help also!

Inclement Weather Procedures

INCLEMENT WEATHER PLAN

When the weather is too rainy or too cold for children to be outside the following will be used:

- District guidelines for decisions are based on an **outside temperature of ten degrees or less**. In case of wind chill factors or wet conditions, the principal or designee will make

the decision in the best interest of the children.

- Flags will be posted at the corners of the buildings on mornings we are indoors before school.

Snow Expectations at Lopez

Please dress for the weather! Students will play outside unless the wind chill is below 10 degrees.

SNOW EXPECTATIONS

- Appropriate winter snow dress is required to play in the snow. This includes:
 - Snow boots or water-proofed all-weather boots.
 - Snow pants or other water-proofed pants are **recommended, but not required**.
 - Clothing appropriate to the temperature including coat, mittens or snow gloves and/or hats.
- Snow stays on the ground. It can be used to build but does not fly through the air.
- Snow mounds are out of bounds.

Troutman Park concerns

Parents have reported some concerns about teen behavior at Troutman Park. If you see anything that is concerning, please report it quickly using one of the following methods:

1. Call the non-emergency police number at 970-221-6540 any time concerning behavior is observed.
2. Report it to the Parks department. They have rangers they can send around. Contact info here: <https://www.fcgov.com/parks/>.
3. Report the incident online to the police department. Report here: <https://www.fcgov.com/police/coplogic-start-report>.

Ask Alexa "What's for lunch?"

Lopez parent, James Gist, developed an app for the Echo home assistant (aka Alexa) that accesses the Lopez lunch menu to tell parents and students what's for lunch. He wanted to share this cool app with you!

Here's the app info:

Name: bathtub burrito

Command: "Alexa, ask bathtub burrito what's for lunch today?" (You can also say another day like "tomorrow" or day of the week like "friday" but you have to specify a day for the app to work). So cool!

Policy on Homemade Treats

Homemade (non-commercial) food items and snacks intended to be shared with others are not permitted in schools for classroom or school celebrations, birthday celebrations, building

events, potlucks, etc. If it is necessary to have food in classrooms during school hours, only commercially prepared foods from retail stores should be served.

Think WIN-WIN and Recycle!

Think Win-Win: *(Collection bins are located by the volunteer desk.)*

- We collect cardboard centers from paper rolls and cardboard egg cartons for our former counselor, Mrs. Katie Kirkham, who has limited means for gathering them herself. Thanks for also sending us your used printer ink cartridges. Recycle America Alliance turns your donations into dollars which we use to purchase new printer cartridges, WIN-WIN!

- There is a large black and white cow print milk jug by the volunteer kiosk near the office for collecting Morning Fresh Dairy milk bottle caps. We earn 5 cents per cap.
- We collect used markers of all brands for the Crayola ColorCycle recycle program to help kids understand their role in protecting the environment.
