A Leader in Me School

February 21, 2020

PSD Honor Choir

On Tuesday February 18th, Lopez was well represented by **Kennadi Andrews (5M)**, **Claire Hatfield (5M)**, and **Kaya Weeks (4J)** at the Lincoln Center by performing with the 2020 PSD Honor Choir. These ladies made us proud and showed great leadership by auditioning, going to an intense practice each week of the four weeks, and finally joining voices with other students throughout the district to create an inspiring performance. The final piece of the evening, Let There Be Peace On Earth, gave everyone chills and the students were rewarded with a standing ovation. Way to show your leadership and share your voices!

Important Information!

New Lopez website!

Check out our new Lopez website! It will launch Monday! <http://lop.psdschools.org>

PSD Honor Choir

Congratulations to Claire Hatfield, Kennadi Andrews, and Kaya Weeks!

The Inclusive Spinner has arrived!

7 Habits of Successful Families Engagement Night

Inclusive Spinner on the playground

The first piece of new playground equipment was installed on Monday! We are adjusting and clarifying rules for use and making sure we are using it in a win-win way. It has been a very popular new addition and has already created more inclusive play! The inclusive swings will come in next week. Over the next few months, the Rock-N-Ship will be installed as well as the Double Web Crawler. Look for a dedication ceremony some time this spring!

No School on Monday, Mar. 2 for Elementary and Middle School

There is no school Monday, Mar. 2 for grades K-8. Staff will have a teacher work day.

Flu Season is Upon Us! Thank you for letting us know whenever your child will not be at school.

Before 8:45 a.m., please report absences on the attendance line: 970-488-8801
After 8:45 a.m., please report absences by calling the office line: 970-488-8800

Lopez Art Studio on Instagram!

Check out the great things that are happening in the Lopez Art Studio! Choice-based art challenges students to innovate, create, and think critically about their own art. Please follow us on Instagram @lopezartstudio

Lopez Art needs balls of yarn!

Are you cleaning out your craft areas? Do you have yarn left over from projects? The Lopez Art Studio needs brightly colored balls of yarn for our textile station. Drop them off outside of the art room or in the office.

Choice-based art challenges students to innovate, create, and think critically about their own art.

Please follow @lopezartstudio on Instagram to see the work and processes of Lopez Artists!

March 3 - Studio5 Class and Individual Pictures

Studio5 will be taking class pictures, as well as individual student pictures, on Tuesday, March 3. Look for the Studio5 order form in your child's Friday folder. The online prepay link is:

Healthy Kids Challenge

The Challenge is On!

The Healthy Kids 5210+ Challenge is a month-long program, during February, to encourage students, school staff and families to learn and practice the 5210+ healthy habits. The goal is to get 5 fruits and vegetables, no more than 2 hours of recreational screen time, 1 hour or more of physical activity, 0 sugary drinks and 9 or more hours of sleep... EVERY DAY! Research shows that good nutrition, daily activity and healthy sleep leads to better concentration, increased attention, improved memory, better moods, less fatigue and improved brain function.

Lopez is planning on using 5210+ Challenge prize money for playground equipment. All student, family and staff participation helps our school win money just for being healthy!! Activity logs will be coming home at the end of January.

Family Habits Learning Activities

At Lopez, a **Leader in Me school**, your children practice the 8 Habits of Happy Kids We want to share the wealth of the Habits with all our families, **so you have the tools** to live these habits at home with your family. Complete the pages with your family and return your completed activity to your homeroom teacher or the office. BE ENTERED IN A DRAWING FOR A VARIETY OF PRIZES!!

Sincerely,

Family Learning Team:

Mrs. McCluskey, ELD, Mrs. Cordova 3rd Grade Teacher, Ms. Megan Conahan, IS Teacher, Mrs. Burnham, Art Teacher

Monthly Fire Drills beginning March 2020

Starting in March, Poudre School District must host monthly fire drills in all our schools to be compliant with state and international fire codes.

In 2006, PFA adopted the International Fire Code, which also applies to the State of Colorado. The International Fire Code mandates that our schools, which are considered "group E" occupancies, must host monthly fire drills. Previously, PSD had an agreement with PFA to host three drills, but state fire authorities recently clarified that local fire authorities cannot deviate from the International Fire Code, with which we must be compliant.

The now monthly drills will have the same procedures for students and staff. Please let me know if you have any questions!

Club Time Volunteers Needed!

Our second semester club time will start on Friday, Feb. 28. The Clubs will be from 1:45 - 2:45 and happen on Feb. 28, Mar. 27, Apr. 17, May 22. If you are willing to volunteer for one of the following clubs, please email Mrs. Day at cday@psdschools.org

- Assembly Club
- Pep Rally Club
- Actors Club
- Harry Potter Club
- Yoga Club
- Science Club
- Strategy and Math Games Club
- Running Club
- Guitar Club
- Makerspace Club
- Robotics Club
- Crafts Club

2020-2021 Kindergarten Enrollment

Kindergarten enrollment numbers for 2020-21 are low. It is only concerning because these numbers help PSD to determine staffing and schedules for next year. Please help by reminding neighbors with kindergarten-aged children to register now by calling 970-488-8800.

CSU Gasp! (Girl's Science Club) – Thursday, April 2-May 7

The Girls Advancing Scientific Progress (GASP!) after school program, offered by the CSU Environmental Learning Center, is returning to Lopez Elementary in April 2020. This program offers fun, female-led opportunities for girls to develop science skills and apply them to studies of their local environment. We focus on environmental aspects of science, studying topics such as weather, geology and wildlife. Students will engage in scientific exploration, asking questions and making discoveries while exploring the natural world.

Who: Girls in grades 3-5

Where: Room 25 at Lopez Elementary School

When: Thursdays at 3:30-5:00pm; April 2-May 7 (includes a family event after the program on May 7)

Cost: \$20 per student for the entire six-week program

Registration forms will be sent home in March; the first 20 students who return registration forms to the Lopez front office will be accepted into this program. After 20 registrations are received, we will start a wait list with the remaining registration forms.

Questions? Contact Kristen Wilkinson, Program Director at the Environmental Learning Center, at 970-491-1661 or elc@csuelc.org.

Inclement Weather Procedures

INCLEMENT WEATHER PLAN

When the weather is too rainy or too cold for children to be outside the following will be used:

- District guidelines for decisions are based on an **outside temperature of ten degrees or less**. In case of wind chill factors or wet conditions, the principal or designee will make the decision in the best interest of the children.

- Flags will be posted at the corners of the buildings on mornings we are indoors before school.

Snow Expectations at Lopez

Please dress for the weather! Students will play outside unless the wind chill is below 10 degrees.

SNOW EXPECTATIONS

- Appropriate winter snow dress is required to play in the snow. This includes:
 - Snow boots or water-proofed all-weather boots.
 - Snow pants or other water-proofed pants are **recommended, but not required**.
 - Clothing appropriate to the temperature including coat, mittens or snow gloves and/or hats.
- Snow stays on the ground. It can be used to build but does not fly through the air.
- Snow mounds are out of bounds.

Troutman Park concerns

Parents have reported some concerns about teen behavior at Troutman Park. If you see anything that is concerning, please report it quickly using one of the following methods:

1. Call the non-emergency police number at 970-221-6540 any time concerning behavior is observed.
2. Report it to the Parks department. They have rangers they can send around. Contact info here: <https://www.fcgov.com/parks/>.
3. Report the incident online to the police department. Report here: <https://www.fcgov.com/police/coplogic-start-report>.

Ask Alexa "What's for lunch?"

Lopez parent, James Gist, developed an app for the Echo home assistant (aka Alexa) that accesses the Lopez lunch menu to tell parents and students what's for lunch. He wanted to share this cool app with you!

Here's the app info:

Name: bathtub burrito

Command: "Alexa, ask bathtub burrito what's for lunch today?" (You can also say another day like "tomorrow" or day of the week like "friday" but you have to specify a day for the app to work). So cool!

Policy on Homemade Treats

Homemade (non-commercial) food items and snacks intended to be shared with others are not permitted in schools for classroom or school celebrations, birthday celebrations, building

events, potlucks, etc. If it is necessary to have food in classrooms during school hours, only commercially prepared foods from retail stores should be served.

Think WIN-WIN and Recycle!

Think Win-Win: *(Collection bins are located by the volunteer desk.)*

- We collect cardboard centers from paper rolls and cardboard egg cartons for our former counselor, Mrs. Katie Kirkham, who has limited means for gathering them herself. Thanks for also sending us your used printer ink cartridges. Recycle America Alliance turns your donations into dollars which we use to purchase new printer cartridges, WIN-WIN!
- There is a large black and white cow print milk jug by the volunteer kiosk near the office for collecting Morning Fresh Dairy milk bottle caps. We earn 5 cents per cap.

- We collect used markers of all brands for the Crayola ColorCycle recycle program to help kids understand their role in protecting the environment.
